SECSCOPE CORP

SecScope Corp Announces New Funding and Regional Expansion

PRESS RELEASE | PUBLIC DOCUMENT | 2026

FOR IMMEDIATE RELEASE

New Mexico, United States - 18 September 2026

SecScope Corp today announced a new round of funding and the expansion of its surveillance and embedded systems business into the Middle East.

The funding will support platform development, partner enablement, and regional delivery capacity.

Executive quote

"Our team is developing the building blocks of modern security systems, where technology and life are inseparable," said Eric Adams, Chief Executive Officer of SecScope Corp.

About SecScope Corp

SecScope Corp specializes in innovation in the security systems industry. The company develops surveillance systems, embedded systems, network devices, and secure access products.
